Last Saturday the traditional Sparkassen elite-level chess tournament in Dortmund Germany started. Here are a few links to coverage of the event:

Official tournament site with game downloads in PGN format.

ChessVibes on Tour has some nice coverage on the event with good video footage and interviews.

There is also some live coverage starting each game day at 9:15am EST and discussion/kibitzing at chessgames.com. Tomorrow (Thursday June 28th) is a rest day, though, so the next round is on Friday.
